

Phonak CROS Infinio.

Unlock a world of possibilities

Infinio

For over 75 years, Phonak has focused on what matters to you: improving speech understanding. We push the limits of technology with our Swiss-engineered hearing solutions, empowering you to connect socially, thrive mentally and emotionally, and ultimately improve your well-being.

Welcome to a world of seamless sound with the Phonak CROS R Infinio. For those with unaidable hearing loss in one ear, CROS is your trusted companion to help you interact with the world around you. Picking up sounds from your unaidable side, it transmits them to an Audéo R Infinio hearing aid which has been programmed to suit your hearing on your other ear. This means you can follow and enjoy conversations, wherever they're coming from. Discover a new level of hearing comfort and freedom with CROS R Infinio.

Sound quality

A new realm of exceptional sound quality awaits you, with Phonak CROS R Infinio. The advanced technology of Infinio has been meticulously crafted to deliver exceptional sound quality. Enjoy life's precious moments thanks to the long-lasting rechargeable battery* and stop worrying about your device's power. Experience the benefits that countless others have already discovered – with CROS R Infinio.

Research has shown that with CROS, wearers experienced:

Improved speech intelligibility in diffuse noise^{1,3}

Improved quality of hearing, based on consumer ratings^{2,3}

Seamless connectivity when paired with Audéo Infinio

Step into a world where you're always connected, where boundaries are redefined and possibilities are endless. At the heart of this revolution is our ultra-responsive chip, ERA, a true powerhouse. ERA ensures you stay connected, streaming hands-free calls and audio, while delivering more stable Bluetooth® connections.* Thanks to Tap Control you can connect with the world around you with ease. CROS R Infinio pairs with the myPhonak app, empowering you to personalize your hearing experience with remote control functionality.

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Sonova AG is under license.

* The benefits of connectivity are available when CROS is paired with Phonak Audéo R Infinio

Designed for life

Meticulously engineered for durability and reliability, CROS is built to withstand the rigors of your daily routine. Whether you're in a bustling city or a tranquil park, CROS is always there, ensuring you never miss a beat. Trust in the steadfast performance of CROS, designed to keep up with you, every step of the way.

life is on

Since 1947, Phonak is dedicated to preserving social, emotional and physical life quality by opening new acoustic worlds. We believe that well-hearing equates to well-being and thus is essential for living life to the fullest. Today we offer the broadest portfolio of innovative hearing solutions. And, together with our hearing care professionals, we keep on focusing on what matters most: improving speech understanding, changing people's lives and having a positive effect on society as a whole.
