

Phonak M H2O

Designed for a full lifestyle –
come rain or shine.

PHONAK

life is on

Giving the dog a bath. An unexpected cloudburst. Jogging in the rain. Tinkering in a dusty toolshed. A summer pool party. A sandstorm in the desert. A water balloon fight. Sanding down garden furniture. Cooking spaghetti for the family reunion. Après-ski in the Jacuzzi. Sports at the beach. Water aerobics.

Do you find yourself in any of these situations?

Then the new Phonak M H2O should be the right hearing aid for you!

Embrace the unexpected joys of life with confidence instead of planning your life around them!

More than you expect, inside and out

The new Phonak M H2O series is designed for people with a mild to severe hearing loss who are interested in high performing, highly reliable and discreet hearing aids.

These new products have achieved the Ingress Protection Rating IP67. This means they are water, sweat, moisture and dust resistant.

What this means for you is that you can enjoy a wide range of water activities and sand sports comfortably and confidently.

The Phonak M H2O is available in three price and performance levels to suit your personal preferences or budget.

Premium: Ambra M H2O is your solution if your lifestyle requires optimum performance and flexibility in a very broad range of listening environments, including those with high levels of background noise. For example: social events, public places, music, driving with people in the car and the situations described under Advanced and Economy.

Advanced: Solana M H2O is your solution if your lifestyle requires good performance and flexibility in a variety of listening environments including those with moderate levels of background noise. For example: business meetings, restaurants, outdoor sports, telephone use and the situations described under Economy.

Economy: Cassia M H2O is your solution if your lifestyle requires good performance in listening environments with minimal to moderate levels of background noise. For example: one-to-one conversations, home activities, TV watching.

Connect to everyone, anywhere

Skype calls with friends. Setting the TV volume so your family members don't complain. Using the mobile phone in a busy shopping center. Changing settings without others noticing. Taking a hands-free call in the car. Keeping up with the kids when playing video games.

With Phonak wireless accessories multimedia entertainment, communication and work are much more fun. TV, telephone, MP3 player, GPS and computers can be enjoyed effortlessly.

Please ask your hearing care professional to show you what the amazing Phonak wireless accessories can do.
